

## Northstar Dermatology

Amir Aboutalebi, M.D., FAAD  
Nicole Strickland, M.D., FAAD  
Shalini Vemula, M.D., FAAD  
Christine Read, PA-C

**MEDICAL SPECIALTY:** Medical, Surgical, and Cosmetic Dermatology. **EDUCATION/CERTIFICATIONS:** Dr. Amir Aboutalebi – M.D., Baylor College of Medicine (AOA member); residency, Harvard Medical School. Dr. Nicole Strickland – M.D. and residency, UT Southwestern Medical School (AOA member). Dr. Shalini Vemula – M.D. and residency, Boston University School of Medicine (AOA member). Christine Read, PA-C – MPAS, UNT Health Science Center; BS, University of Dallas. **AWARDS/HONORS:** *Fort Worth Magazine* Top Docs for seven years. **GREATEST PROFESSIONAL ACHIEVEMENTS:** We have built a practice that boasts the talents of the most highly trained physicians, physician assistant, and staff. This incredible team has allowed us to serve an amazing patient population. We are proud of our company values which emphasize continuous learning and investigation, transparency, efficiency, and the education of our patients. **UNIQUE PATIENT CARE:** Given every individual's unique genetic background and varying environmental exposures, we recognize each patient's skin as inherently different, meriting personalized medical attention. We emphasize evidence-based medicine but also maintain an eye to the human aspect of health care. **FREE ADVICE:** Invest in your skin now for visible returns in the future. Whenever possible, seek to prevent conditions before they arise. Wear sunscreen, use retinoids, maintain a healthy diet. Don't waste time, money, and energy on fads. Seek the expertise of a board-certified dermatologist. It's your skin; wear it proudly!
